

This craft reminds us that we need to intentionally focus our eyes on God like putting on glasses so that we can see Him clearly and make space for Him in our lives by blocking out distractions.

This craft has been adapted from the 'First Palette' website and uses their template www.firstpalette.com

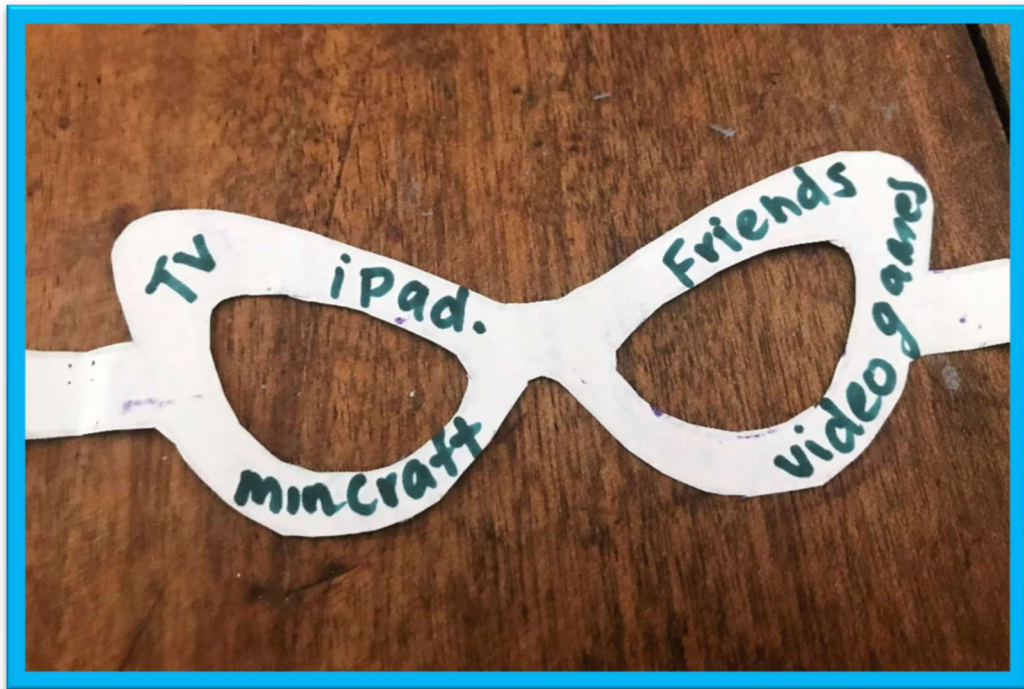

1. print the template of your choice

2. cut out along the lines

3. On the inside of your glasses write things that might be distracting you from focusing on God

4. Decorate the front of your glasses

5. Glue your glasses together at the sides

6. Wear your glasses and remember to focus on God

7. send us a photo wearing your glasses!!
