1. **Lyndal Brunner** LIFT (Life Impact Foundation Thailand). Currently waiting it out in Aust. Daughter Lukgade is engaged. LIFT visits schools in their area of northern Thailand to assess needy students, often living hand-to-mouth with grandparents, to give them income generating projects & share the Good News. 2. **Heather Decorso**, Chaplain at VP State High School and **Jasmine Briggs**, Chaplain at VP State School. Chappies are still active at this time, helping out school families in need. 3. **Adam & Hester Pike**, Wycliffe Bible Translators, Vanuatu but recently based in Brisbane on Remote Assignment. Work with translation of the Bible is ongoing into the Merei language. 4. **Chris & Amy Luthy** (Josiah, Eliana & Elijah) Pioneers SE Asia. Are waiting out the current crisis in their Asian city, and the team have given soap to all the students on campus. Many people are not responding with wisdom and testing doesn't appear to be available plus some students have low immune systems. [theluthys@gmail.com](mailto:theluthys@gmail.com)
5. **Beatrix Watofa** Pioneers SE Asia. Beatrix works with people of the majority religion, and works with dubbing Christian resources into local languages. Pray for new opportunities, plus health, strength and wisdom. [barokah@directpost.net](mailto:barokah@directpost.net)
6. **Nathan & Pip Wheeley** (Roel, Noah, Levi & Shiloh) Gentle Hands Philippines, based in Brisbane. Nathan is the fundraising coordinator for Gentle Hands orphanages, which rescue children from often horrific life-threatening situations and give them love and an education. [nathanwheeley@gmail.com](mailto:nathanwheeley@gmail.com)

7. **Ben & Helen Starr** (Holly & Toby) MAF NT. Ben has gained his pilot's licence and the family recently moved to Arnhem Land, serving isolated communities but were supposed to then move to Elcho Is. after Easter. Pray that the virus doesn't reach their area. [benandhelenstarr@gmail.com](mailto:benandhelenstarr@gmail.com)

8. **Jean-Claude & Joyce Manirakiza** (Chris, Ornella, Venerande & Isabella) GIA Malawi. Praise God for increasing fluency in the language and being able to lead people from the majority religion to Christ. A special need is for the children to have an education equivalent to Qld's curriculum, as they fell behind last year. This year they have a new teacher.
